REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Claims 1-8 are allowable because none of the prior art of record discloses an auxiliary detection means for controlling the direction of light projected from the vehicle headlamp in response to vehicle load variation and any one of: (a) wherein in the case the auxiliary detection means is in an abnormal condition, the direction of the optical axis of light projected from the vehicle headlamp is controlled so as to be tilted downward as compared to the direction of the optical axis of light with the auxiliary detection means remaining in a normal condition; (b) when the auxiliary detection means is in an abnormal condition, control of the optical axis of light in the basis of the information obtained by the auxiliary detection means is prevented, and the optical axis of light is controlled on the basis only of information obtained by the height detecting means.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alan Cariaso whose telephone number is (571) 272-2366. The examiner can normally be reached on 9-5:30 M-F.
